*The purpose of this form is for electrical contractors who wish to register a complaint with NECI, arising from a third party inspection, i.e. NERA, RECI, ECSSA, EPACE. NECI will use this information to engage directly with regulatory or other relevant bodies, for the sole purpose of improving the process, highlighting issues raised by NECI members so that inspections are fair and transparent. Completing this form does not preclude an electrical contractor from complaining directly to the relevant body or following their specific complaints process. Completion of this form does not imply that NECI will act as arbitrator between your company and any third party.*
